IMPORTANT EVENTS WITHIN THE EXPOFORUM:

• ROUND TABLE "REALIZATION OF STATE AND REGIONAL HOUSING PROGRAMS – THE WAY TO SOLVE THE PROBLEM OF HOUSING PROVISION TO CITIZENS WHO NEED SOCIAL SECURITY"

The round table was attended by the heads of the leading construction and design organizations, investment and consulting companies, representatives of central government and local authorities as well as public organizations.

Signing of the Memorandum of Cooperation between Building Chamber of Ukraine and Association of Ukrainian Cities was an important part of this event. Besides, relevant questions of state initiatives on creation of comfortable living conditions in the city for a person, decentralization of urban planning administration in Ukraine and opportunities for young families to buy dwelling were discussed within the round table.

The participants of the round table were: Lev Partskhaladze, Deputy Minister of Regional Development, Construction and Housing and Communal Services of Ukraine; Petro Shyliuk, President of Construction Chamber of Ukraine, Hero of Ukraine; Oleksandr Slobozhan, Executive Director of Association of Ukrainian Cities; Serhii Komnatnyi, Chairman of the State Fund for the Support of Youth Housing Construction.

• SPECIALIZED CONFERENCE "QUALITY.NOW.UA"

The conference was focused on harmonization of the provisions of the Regulation (EU) No 305/2011 with the domestic legislation.

Discussion of implementation steps of this regulation into the current legal framework of Ukraine took place at the conference.

The leaders of Ukrainian business companies talked with international experts about foreign practices and the problems of actual implementation of the regulation within the event. They discussed burning questions in the sphere of synchronization between Ukrainian and European legislation as well as market surveillance together with the representatives of the government sector.

IMPORTANT EVENTS WITHIN THE EXPOFORUM:

• MARATHON OF PROJECTS

This event has gathered architects, developers, investors, manufacturers of construction materials and providers of services at one platform for the fourth time.

This year the best architects of Ukraine spoke about the development perspectives of Ukrainian cities, innovations in design of residential and public objects as well as directions of current development of the market at the Marathon of Projects. Presentations of new residential complexes, shopping and entertainment centres as well as social facilities were delivered during the day. Moreover, plans of Ukrainian big cities development, innovations of the construction market and international experience in big objects design were presented.

• INTERNATIONAL LABORATORY OF ARCHITECTURE

This intellectual platform within the ExpoForum **Building. Architecture. Real Estate** became the main meeting place for the professionals in the sphere of design and architecture where they could have communication and receive new information about world trends, styles and approaches in design, innovative materials and technologies.

Special guests of the event: Peteris Bajars, Founder and Head of Outofbox Bureau, Uģis Šenbergs, Founder and Head of architectural bureau Uģis Šenbergs, Arhitekts (Latvia).

IMPORTANT EVENTS WITHIN THE EXPOFORUM:

• THE FESTIVAL OF CONSTRUCTION SERVICE

Workshops on proper installation of windows, roofs, facades, ceilings, application of plaster, etc. were held during the whole period of the ExpoForum. Such events provide manufacturers and sellers with an opportunity to show a necessity of installation service development. The main part of successful and long-lasting exploitation, as well as additional stimulus for buying, is professional installation of products and manufacturer's warranty.

• ARCHITECTURE. DESIGN. CULTURE CODE

The concept of Zamostia district and Kotsiubynskyi Avenue development in Vinnytsia was presented by the architects V. Herasymenko and V. Zotov. Furthermore, such important issues as lighting in retail and technologies of Building Information Modeling were raised.

FEEDBACK FROM THE PARTICIPANTS OF THE INTERNATIONAL EXPOFORUM BUILDING. ARCHITECTURE. REAL ESTATE

Andrii Myrhorodskyi,
Head of Project Systems Ltd.:

"Your ability to gather project engineers, construction workers and materials suppliers for information exchange and meeting each other is worthy of respect. We are grateful to you for such events."

Manuk Sohomonian,
Architect, Head of architectural design studio:

"Such exhibitions are really necessary. A wide range of questions are raised here, besides there is an opportunity to exchange experience and establish useful contacts. The events provide a lot of advantages."

Mykola Moiseienko,
Representative of DBK-Zhytlobud:

"We take part in exhibitions to find new materials and new partners. Partners come to us and offer their products. That's why we always participate in the exhibition with pleasure and it is a perfect chance for us to find new markets. We express our gratitude to the organizer for this opportunity!"

Volodymyr Riabets,
Representative of Optigreen:

"This ExpoForum has enjoyed success, to my mind. Interesting workshops and the Marathon of Projects have been held. We have got acquainted with a lot of colleagues and had very interesting meetings. We thank the organizer for such an event."

Volodymyr Hrytsa,
CEO of BM RUBIN:

"In our opinion, such events are very useful for manufacturers because they have an opportunity to demonstrate their best materials. Moreover, this exhibition is important for such representatives of Ukrainian construction market as foremen and roofers. They have a chance to see how different roofing materials are installed."

Nadiia Temytska,
Sales manager of Solwin:

"This year the program of the exhibition has been very intensive and we have learned a lot of new information. We have discovered new suppliers and received many interesting offers. At the ExpoForum we have established a great number of new contacts which can bring us positive results in future."

**Kyiv International Contract Fair,
the organizer of the ExpoForum Building. Architecture. Real Estate thanks
co-organizers, partners, participants of the exhibition
and its visitors for their active participation in the events
and expositions of the ExpoForum.**

WE EXPRESS SPECIAL GRATITUDE TO:

- Verkhovna Rada of Ukraine Committee on Construction, Urban Development, Housing and Communal Services of Ukraine;
- Ministry of Regional Development, Construction, Housing and Communal Services of Ukraine;
- Association of Ukrainian Cities;
- Building Chamber of Ukraine;
- National Union of Architects of Ukraine.
